MEMO

To: Mayor and Councilmembers
Denise Webster, City Administrator

From: Andrea Worcester, Finance/HR Director

Subject: Approval of Street Light Assessment Roll and Certification to the County.

Introduction:

On February 1, 2021 City Council approved the new contract with Ham Lake Haulers. This contract took away using them as our third party billers for Street Lights. This was done due to the complicated process to reconcile the billings and accounts. The last billing completed by Ham Lake Haulers was in July and it was for the months of August through October. Upon closing out our accounts with Ham Lake Haulers on September 13, 2021, there was a past due total of \$1,796.19. Any payments received by Ham Lake Haulers after September 13th will be refunded to the payee.

Going forward, Street Lights will now be assessed on a yearly basis to properties in developments with street light clauses in the Development Agreement. The 2022 assessment for street lights will be \$52.50, which includes November and December of 2021 and all of 2022 at a rate of \$3.75 per month. Any accounts with past due amounts from the Ham Lake Hauler accounts will be added to the \$52.50.

Notices were sent to property owners on September 20, 2021 indicating the time of the public hearing as well as the amount owed for the 2022 assessment.

Upon approval of the assessment roll, residents can prepay the amount owed by November 15, 2021 and will not have charges show up on the 2022 Property Tax Statement. Any unpaid amounts will be certified to the 2022 property taxes with no interest added and residents will see this as a line item on their 2022 Property Tax Statement.

Attached to this memo is the preliminary assessment roll and the amount owed. The final assessment roll will be certified to the Anoka County Auditor and will only include the parcels that had balances remaining after the November 15, 2021 deadline.

Recommendation:

Approve the Resolution Ordering Preparation of Final Assessment Roll and Scheduling a Public Hearing for Street Light Billing.

11.2 Discussion of funding options for Law Enforcement

Councilmember Kirkeide stated that he asked that this discussion be added to the agenda. Councilmember Kirkeide would like to explore options of how the Anoka County Sheriff's Department is funded and suggested that the Sheriff's Department assess property owners rather than the City having the Sheriff's Department being a line item on the City's budget. Councilmember Kirkeide asked if members of the City Council would be in support of this and he would like staff to look into the logistics of implementation of this. Lt. Schuldt was in the audience and stated he would talk to Sheriff Stuart about this. Councilmember Kirkeide asked the Mayor and Councilmembers to think about this alternative way of funding the Sheriff's Department and that staff research whether this can be done and what the process would be.

11.3 Announcements and future agenda items

Councilmember Kirkeide stated that he, Councilmember Doyle, Public Works Superintendent Witkowski and Engineer Krugler met with Gary Osendorf at 13450 Staples Street NE on Monday, September 13, 2021. Mr. Osendorf has not been satisfied with the way the end of his driveway was constructed when Staples

Street NE was reconstructed. Mr. Osendorf doesn't feel he has room to back-up his trailer with the way the end of the driveway is angled. It was determined that the cul-de-sac will be posted no-parking and Mr. Osendorf's mailbox will be moved, and this should solve the problem. Councilmember Kirkeide stated they will revisit the property in 30 days.

Councilmember Kirkham gave an update on the well located in Harmony Estates. Councilmember Kirkham stated that the owners do not want to gift the easement to access the well, but would trade parkland for the lot the well is on. Engineer Collins stated that the overall plan was approved in 2006-2007, but can be changed.

Councilmember Kirkeide asked how the architect for Fire Station 3 was chosen. Administrator Webster stated that a building committee should be formed that would include, the Fire Chief, Building Official, and two councilmembers. Councilmember Kirkeide stated that he wants to make it known that they will not be accepting any change orders for the Fire Station 3 construction. Councilmember Kirkham asked why the entrance is not located on 149th Avenue NE. Engineer Collins stated that the plan shows using the existing driveway that accesses the tower located on the property; but the driveway location could be moved to 149th Avenue NE. Discussion followed regarding using solar panels.

Motion by Kirkeide, seconded by Kirkham, to adjourn the meeting at 6:55 p.m. All in favor, motion carried.

STAFF REPORT

To: Mayor and Councilmembers

From: Denise Webster, City Administrator

Subject: Closing (non-emergency City operations) on Thursday, December 23rd and Thursday, December 30th from 7:00 a.m. to Noon

Introduction/Discussion:

Christmas Eve and New Year's Eve fall on Friday this year and Christmas and New Year's fall on Saturday. Per the Personnel Policy, if Christmas and New Year's Day falls on a Saturday, City Hall will be closed on the previous Friday. Because staff only works until Noon on Fridays, City Hall would close at Noon on Thursday. Normally, there is very little, if any, business transacted in City Hall during this time. Therefore, I discussed with the Personnel Liaisons, Mayor Van Kirk and Councilmember Doyle and requested consideration that non-emergency city operations be closed the full days on Thursday, December 23rd and Thursday, December 30th.

Recommendation: The Personnel Liaison's and I are recommending approval of closing non-emergency City operations on Thursday, December 23rd and Thursday, December 30th.

understandings, negotiations and discussions, either oral or executed in writing by the parties to be bound thereby. The waiver of any provisions of this Contract shall not constitute a waiver of any other provision of this Contract.

APPROVAL OF MINUTES:

Motion by Lejonvarn, seconded by Ringler, to approve the minutes of the September 13, 2021 Planning Commission meeting as written. All present in favor, motion carried.

PUBLIC HEARING:

Consideration of Amendments to Article 9 of the Ham Lake City Code

Chair Pogalz stated the Planning Commission proposed several modifications to Article 9 in May of 2021; since that time the Building and Zoning Official, Attorney Murphy and members of the Code Committee have discussed the proposed changes and drafted amendments to Article 9 which are before the Commission for review and comment. There was brief discussion on the change of roofs having 6-inch fascia from 9.5 inch. Building and Zoning Official Jones stated 6-inch fascia is normally what is used; the change to Article 9-220.2.a.vi is being proposed to be consistent with what is listed in other sections of the Code. Commissioner Fisher was not present but had emailed his comments on proposed changes to Article 9-350, Home Occupation Permits. The Commissioners discussed his comments and decided to recommend adding some of Commissioner Fisher's suggestions to the proposed changes for Article 9-350. Building and Zoning Official Jones explained changes made to Article 9-220.2.a and 9-220.2.b and noted Office Warehouses are going to be a permitted use in CD-1 and CD-2 zoning in the future. The Commissioners had much discussion on the proposed change to Article

9-220.1.a, paving standard for all mercantile districts. Commissioner Heaton stated requiring paving on all surfaces employees have access to may not be feasible for some types of businesses. Building and Zoning Official Jones stated the proposed change is an attempt to make paving requirements consistent for mercantile and industrial districts. Commissioner Ringler stated the code should define paving requirements for the public and for business's employees. The Commissioners discussed parking scenarios for employees and the public for several business types in the City and the impact the proposed change to Article 9-220.1.a could have on businesses in the future.

Chair Pogalz opened the public hearing at 6:37 p.m. and asked for public comment; with there being none, he closed the public hearing at 6:37 p.m.

Motion by Heaton, seconded by Lejonvarn, to recommend approval of the amendments to Article 9 with the following proposed changes to Sections 9-220.1.a, 9-220.2.a.vi and 9-350.

For Article 9-220.1.a, remove the words *and employees* from the proposed changes.

For Article 9-220.2.a.vi, All roofs shall have a minimum 6 inch fascia;

For Article 9-350, reword the last sentence of this section so as to read: This requirement for a *Home Occupation* permit shall not apply to any enterprise consisting entirely of computer or internet-based activities or non-manufacturing activities carried out entirely within the dwelling, where all employees live at the residence, where no specialized chemicals are used by the business, where there is no customer traffic and there are no physical deliveries requiring vehicles larger than normal small parcel delivery services (USPS, UPS, FEDEX, etc.) Commissioners Pogalz, Lejonvarn, Entsminger and Heaton voted yes, Commissioner Ringler voted no, motion carried. *This item will be placed on the October 4, 2021 City Council Agenda.*

Caution: This email originated outside our organization; please use caution.

Hi, fellow Commissioners,

Sorry I can't be at the meeting tonight. I just want to comment on the suggested change to "9-350 Home Occupation Permits". The addition "This requirement for a Home Occupation permit shall not apply to any enterprise consisting entirely of computer or internet-based activities where all employees live at the residence and there are no physical deliveries" seems to me to be overly restrictive. The 14er Firearms business we just approved would still have to get a permit under this change, which it really shouldn't need. Here is my suggested change, for you discussion at the meeting:

This requirement for a Home Occupation permit shall not apply to any enterprise meeting the following criteria:

1. Non-manufacturing activities carried out entirely within the dwelling
2. No external signage
3. No specialized chemicals needed in the business
4. No general public or customers physically on-site
5. All employees live at the residence
6. No physical deliveries requiring vehicles larger than normal small parcel delivery services (USPS, UPS, FedEx, etc).

Thanks

Jonathan
